

In remembrance of Bob Schar

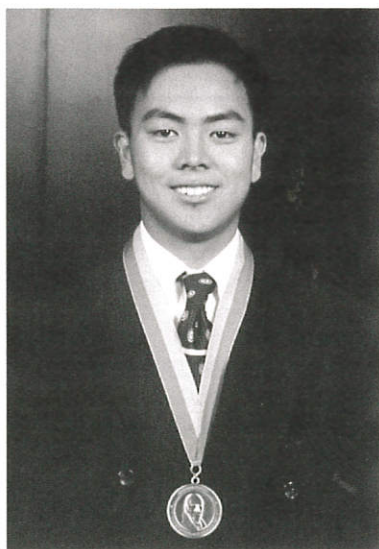

“One man can truly make a positive difference in the lives of thousands.”

Bob Schar was truly the man that made a positive difference in the lives of thousands of GNLD distributors. His recent passing will continue to remind us all of the values that are most important — giving time and encouragement to those in our lives: family and friends. His loyalty to GNLD since 1974 will leave all of us with the fondest of memories. For those of you who have expressed interest in doing something special in memory of Bob Schar, his family has requested that a college fund be set up for his grandson, Christopher Schar. Please contact your Sales Team leader or Distributor Services Associate for more information.

Furst Scholarship Awarded

The third annual Arthur Furst Undergraduate Scholarship has been awarded to Raymond Sy! GNLD endows this prestigious award in honor of Dr. Arthur Furst, GNLD's senior Scientific Advisory Board member and distinguished Professor Emeritus at University of San Francisco (USF). The scholarship is presented to an undergraduate science major at USF who demonstrates outstanding academic ability and a strong desire to pursue research.

Recipient Sy is a senior majoring in biology. He is conducting research on

Arsenic detoxification. Many people are exposed to arsenic at work, such as miners, smelters, and refiners; cigarette smokers are also exposed to arsenic. Sy and a colleague recently presented the arsenic detoxification study at a Society of Environmental Toxicology and Chemistry meeting. They won the best undergraduate presentation award. Professor Robert Toia cites Sy's curiosity, persistence, enthusiasm, intellect, organization, and technical abilities as keys to his research

success. Congratulations, Raymond Sy!

Off to Vegas!!

Ten successful people earned a trip to Las Vegas, compliments of GNLD! They'll be staying at one of the world's most luxurious resorts; *Luxor Las Vegas*. Dazzling guests with elegance, magnificence, an IMAX Theater, and more, the Luxor shall be unforgettable! GNLD congratulates these winners!
