Neo-Life's Director of Research wins award!

Dr. Arthur Furst claims title to yet another prestigious award

Neo-Life's Director of Research, Dr. Arthur Furst, recently became the recipient of yet another prestigious award. Presented by the University of San Francisco, the Henry Clay Hall Award signifies outstanding service to the University. At left he is accepting congratulations from Neo-Life Co-founder Mr. Pickett for his most recent accomplishment.

Dr. Furst's credentials are known and respected worldwide in both the science and academic communities. Neo-Life is proud of his dedication to filling needs!

JAN. '78 *The Counselor*
